DVV Clarifications	HEI response
HEI has provided the list of courses but the minutes of meeting correspondingly points to changes in the curriculum of the program and not introduction of new courses for the metric 1.2.1	During Syllabus revision whenever a Course is subjected to 40% change in its syllabus than the previous regulation then it had been considered as a new course along with newly introduced elective courses in the new regulation. The same has been reflected in the Board of studies minutes also and annexed in the Appendix. DVV may kindly accept the HEI input.
