| HEI to affix the list of classrooms and seminar halls with links to the geo-tagged photos for the extended metric 4.3 | The list of classrooms and seminar halls with links to the geo-tagged photos are provided. While entering the data for number of classrooms and seminar halls with ICT facilities in the SSR portal, it has been entered as 100 instead of 106 by mistake but the supporting documents in the SSR (metric 4.3.1) have been given for 106 classrooms and seminar halls. HEI has updated the data and presented it in detail below. DVV may kindly consider the HEI change of input. |
